

Havelock Primary School, Nursery & ARP Newsletter

Friday 26th January

Dear Parents/Carers,

Park and Stride

Thank you so much to all those who came and took part in the Park and Stride event with Dairy Meadow. It was great to have such a good turnout of pupils, parents/carers and staff in order to raise awareness of safer travelling.

Author Visit

Unfortunately, the author visit could not take place today but the books that pupils ordered did arrive and were signed by the author! We hope to re-schedule the visit soon.

A big thank you to those parents who donated to the school so we could purchase additional copies of the books for classes. Thank you!

Important Dates

- **Friday 9th February** - Last day of Spring Term - school will close for all year groups at the normal time of **3.15pm**.
- **Monday 19th February** - First day of the Spring 2 half term. School will be open for all year groups at 8.45am

Kind regards,

Mr. Jon Bailey
Headteacher

Havelock Primary School, Nursery & ARP Newsletter

Attendance at Havelock

Remember, good attendance is over 96%! Below are the figures for this term for all classes.

Congratulations to:

Year ARP4 for their attendance of

100% for this week!

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Havelock is a Rights Respecting School Article of the week: 1, 4, 41

Article 1 makes clear that everyone under the age of 18 has all the rights in the Convention.

Article 4 states that governments must do all they can to make sure every child can enjoy their rights by creating systems and passing laws that promote and protect children's rights.

Article 41 states that if a country has laws and standards that go further than the present Convention, then the country must keep these laws.

Holocaust Memorial Day (HMD) takes place each year on 27 January.

Reflection:

As you sit quietly think about your rights and why they matter. This acronym may help:

R is for really important. Why do rights matter for every child?

I is for international. Remember - every child in the world is born with these rights.

G is for governments, grown-ups, guardians. How do they help you to get your rights?

H is for hopeful. Because of the CRC the world is becoming a better place for children.

T is for together. You are connected with every other child and young person as you have the same rights.

S is for sharing. How can we tell others what we know about rights?

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Park and Stride event

Thank you to everyone who joined us for our Park and Stride with your teddies event! We were so impressed with the turn out.

Please do **continue to use this location** to park and make the small walk to school.

Remember, not only does adding this short walk ease congestion at the school gate, it also provides exercise and a chance to speak to your child and other parents on the walk to school!

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Havelock Primary School, Nursery & ARP Newsletter

Havelock Primary's 5Rs

Being resourceful means knowing “what to do” and “where to go” when you are stuck. A resourceful learner uses imagination, takes risks and asks questions.

This week the children in Year 2 have been extremely resourceful in their lessons.

Children have been independently accessing resources from the classroom to support their understanding of a concept.

RIGHTS
RESPECTING
SCHOOLS

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Year 4 and Year 6 Trip

This week, Year 4 and 6 visited the local canal to collect natural resources including different shaped plants and pebbles. They also took inspiration from a variety of textures and shades of colours to support them when creating their own piece of pottery in the style of the Martin brothers.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Year 3 Trip

This week, Year 3 visited King Street as part of their Geography inquiry. children observed the existing shops in their local area and recorded this on tally charts.

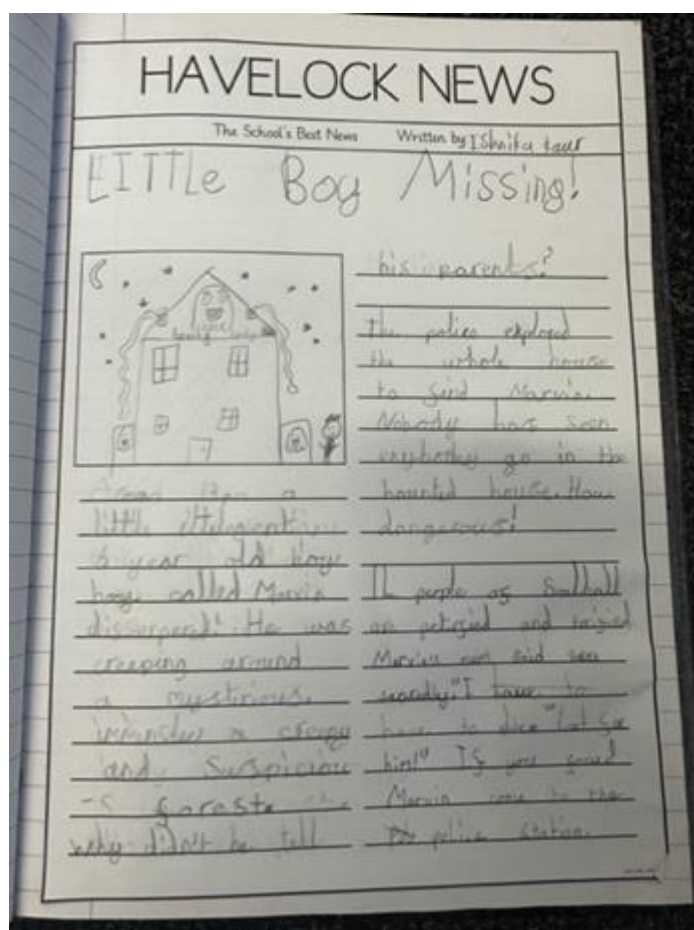

They noticed a range of shops and later discussed what shops they thought may be needed.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

English at Havelock Year 2

This week, Year 2 have written a newspaper article through shared writing. They used a headline, wrote about the 5 Ws, conjunctions and used speech marks. They will be writing their independent piece of writing next week. Have a look at their writing below.

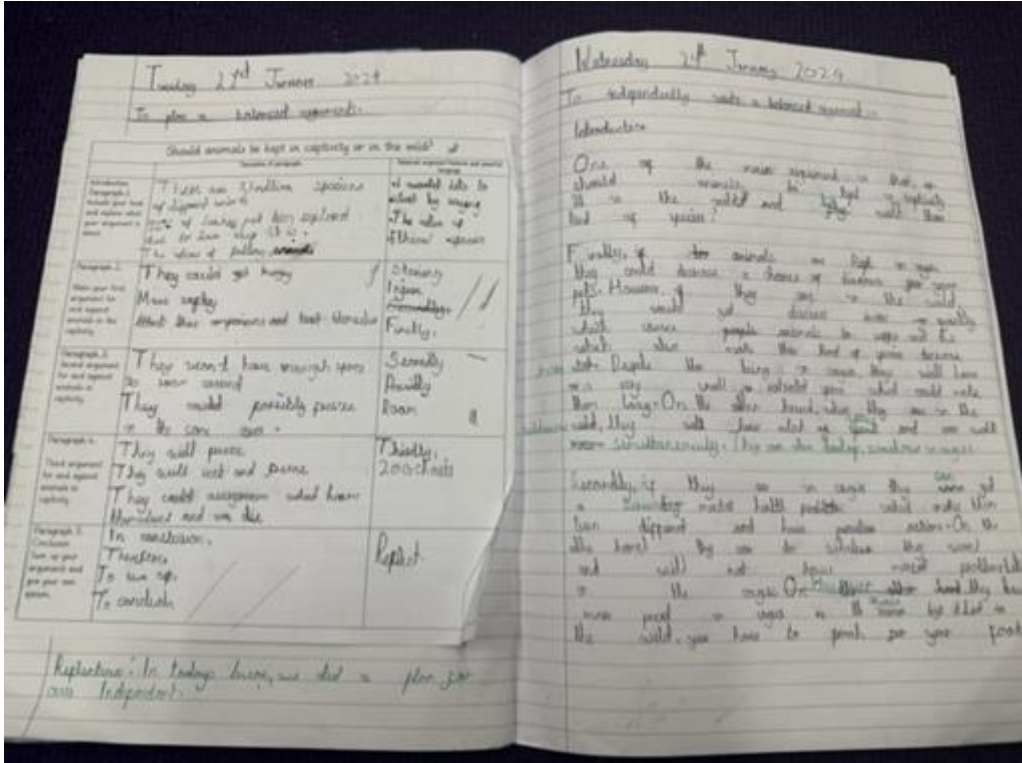

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

English at Havelock Year 5

This week, Year 5 have been completing a balanced argument about whether animals should be kept in captivity or in the wild. Children have taken part in debates over the week and been looking at a variety of writing features before they have completed this writing task. Lots of great arguments were developed using features such as tier 2 and 3 words, conjunctions and formal language.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Maths at Havelock Year 1

Year 1 have been beginning to look at measuring and recording lengths of objects before applying their understanding to reasoning in different contexts.

16.1.24
WALT: Measure the length of objects using a ruler (2).

7cm long ✓

8cm long ✓

Measure the comb in cm.

12cm ✓

The length of straw 1 is 9 cm ✓
The length of straw 2 is 7 cm ✓
 $9 + 7 = 16$
The total length is 16 cm ✓

True or false?

The flower is 8 cubes tall.
Explain your answer.

False because the flower is 6cm cubes long
Draw a tape that is as long as Tape Z. ✓

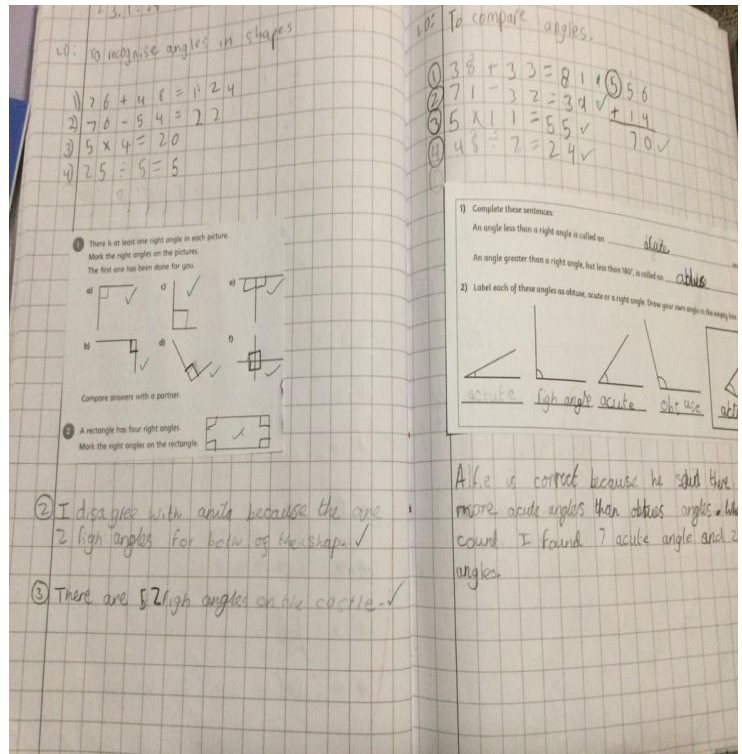

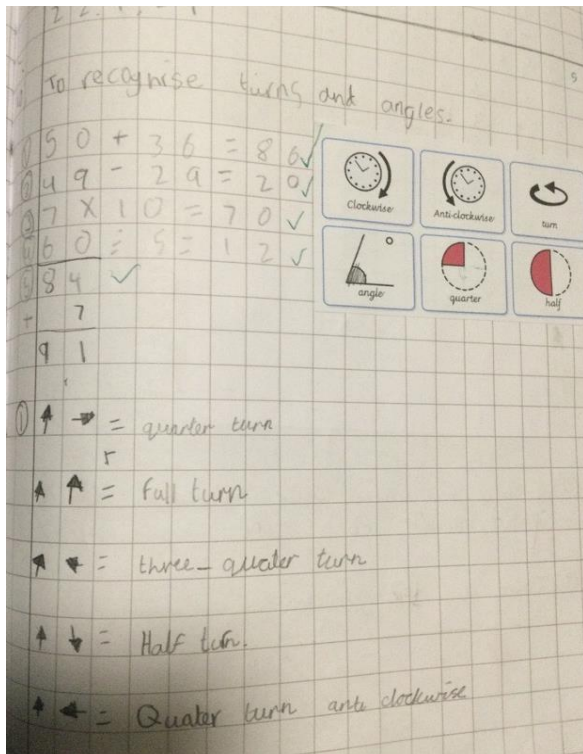

1 centimetre

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Maths at Havelock Year 3

Year 3 pupils have been looking at the following terminology: clockwise, anti-clockwise, turn, angle, quarter turn and half turns. Pupils then looked at identifying different types of angles: acute, obtuse and right angle before comparing its size.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Computing at Havelock Year 4

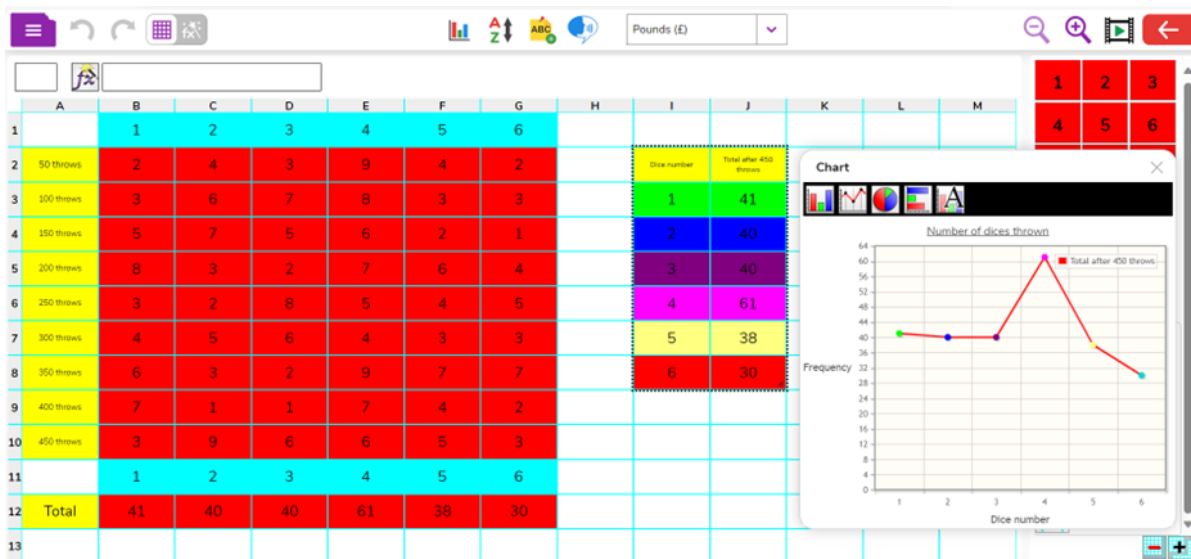

In computing, year 4 have been using timers in their games. They created their own backgrounds and avatars, which aimed to capture all the objects within a set time. Have a look at some of their work below:

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Computing at Havelock Year 6

In Computing, year 6 have been learning about spreadsheets and investigated the probability of throwing a dice. They have also had the opportunity to input data into a spreadsheet and convert it to a variety of different charts (bar, line etc). Have a look at their work below.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.
