Havelock Primary School, Nursery & ARP Newsletter

We are delighted to share with you the great news that our school has achieved TfL Travel for Life **Gold** Accreditation, in recognition of our fantastic work to encourage safe, active responsible travel.

By taking part in TfL Travel for Life, we have been able to contribute to improved road safety, better air quality, reduced congestion, and healthier active lives, both for young people in our school and the whole London community.

This fantastic achievement is a result of the combined efforts of the students, staff, and parent/carer community, and you should be very proud of this success. I would also like to give special recognition to **Ms Collery** and **all our children** for their hard work towards Travel for Life Accreditation.

Thank you for your ongoing commitment to encouraging sustainable travel in our community. Together, we can help our school maintain this level of Accreditation and provide a healthy, safer learning environment for everyone.

Attendance at Havelock

Remember, good attendance is over 96%! Below are the figures for this week for all classes.

Congratulations to:

Year 1Awale & 2Sharma for their attendance
of

98% for this week!

Havelock is a Rights Respecting School

Article of the week: Article 28 Right
to Education

All children across the world have the right to access education. This should be **quality** education Article 28 also speaks of the importance of children being treated with **dignity** in their school setting. It also states that richer countries are **responsible** for supporting poorer countries with providing education to their children.

World Teacher's Day is celebrated annually on 5th October.

Can you say thank you to one of your teachers this October?

Reflection:

What is the best thing about your education?

How do you think you might feel if you could not come to school? What sort of job would you get in the future?

What do you do to ensure that everyone in your class is accessing their education?

Havelock Primary's 5Rs

5R of the week : Building relationships

During this week, we focused on building relationships in Year 2, as we have had a few new children starting in our classes!

Children have been extremely kind and caring towards our new starters, which has supported these children to transition with ease and comfort.

Safeguarding week.

Havelock Safeguarding week will take place from
Monday 30th October- Friday 3rd November.

We will teach our pupils the following important safety skills without giving explicit information or telling scary stories. The lessons will introduce a range of ideas, all delivered in a way that's fully age-appropriate.

These include:

- “Appropriate” and “inappropriate” touching
- Your child’s right to say no to things that make them feel upset or uncomfortable
- Naming parts of the body
- Who your child can turn to if they ever feel upset or worried
- NSPCC’s PANTS Underwear Rule:

Privates are private
Always think: your body your choice
No means no
Talk about things that upset you
Speak up, someone can help

Active Travel Week

We are getting active this October with Ealing's
10-day Active Travel Challenge

Our school is participating in a borough wide 10-day Active Travel Challenge this October to embed healthy habits around active and sustainable travel to and from school. Join us by walking, cycling, scooting or Park & Striding to school from **Monday 9th October-Friday 20th October.**

What is the 10-day Active Travel Challenge?

This October we are participating in Ealing's 10-day Active Travel Challenge, as part of Walk to School Month. We challenge you and your children to actively travel to school across all 10 school days to help increase physical activity, reduce congestion, and improve air quality around the school gates.

As part of the autumn Challenge, Ealing Council are running a **Design a Bookmark** competition. Your children will be given the competition entry form at school and these need to be submitted by **20th October**. The overall winner will receive a goody bag worth £50 and their school will receive some new scooter or cycle parking. **The winning bookmark will be used in the 2024 summer Challenge!**

Year 5/6 Netball Tournament

A huge congratulations to the Year 5 and 6 Netball Team who achieved runners up in the Featherstone annual Netball Competition. The team began the morning undefeated in the group stage, winning all three games and finishing at the top of the group without conceding a single goal. This was followed by two brilliant performances in the quarter and semifinals, setting up an exciting final. In the finals, they secured second place. The team can certainly hold their heads high, as they worked tremendously hard in training, and on the day, demonstrating all the 5Rs, especially resilience and building relationships.

ARP

ARP1

ARP 1 have been reading the book All Kinds of People. They discussed how people are the same and our differences. They used hair tools to create different hairstyles.

ARP2

In Science, children have been learning about Autumn. They observed different leaves and their colours. They then used this to create some art work.

ARP3

ARP 3 have started learning about fractions this week in maths. They have been working out fractions of amounts by sharing. They also read their No Outsiders book Elmer, and talked about how we should always be ourselves.

ARP4

In History, some of the children have been learning about the Blitz. They created their own luftwaffe and spitfire planes. We discussed the impact The Blitz had on the lives of the people in the UK.

EYFS - Nursery

The Nursery children have been learning about the Havelock values. This week they have been focusing on being 'Resourceful'.

The children are beginning to self-select their own resources to support their learning. They are beginning to understand what the resources are for and how to use them effectively.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Maths at Havelock Year 2

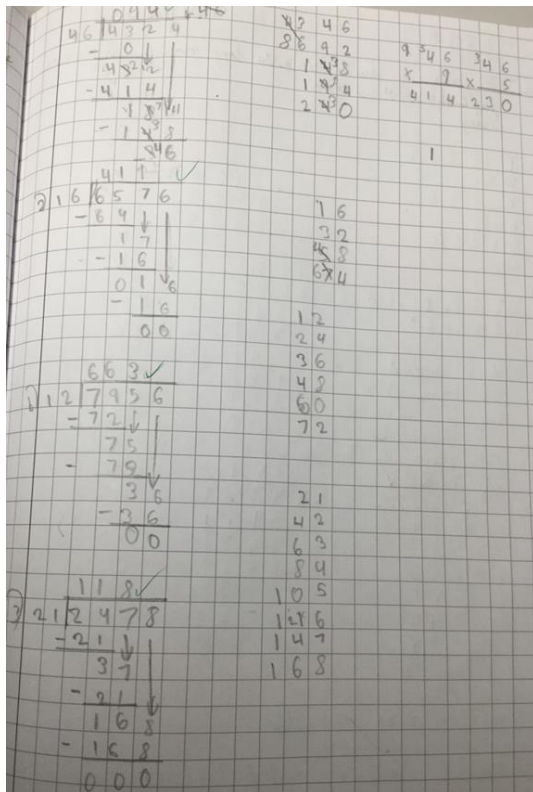

In year 2, pupils have been exploring shape. They have engaged in identifying the properties of 2D and 3D shapes. To deepen their understanding, they have made comparisons and sorted shapes into groups. Great learning!

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Maths at Havelock Year 6

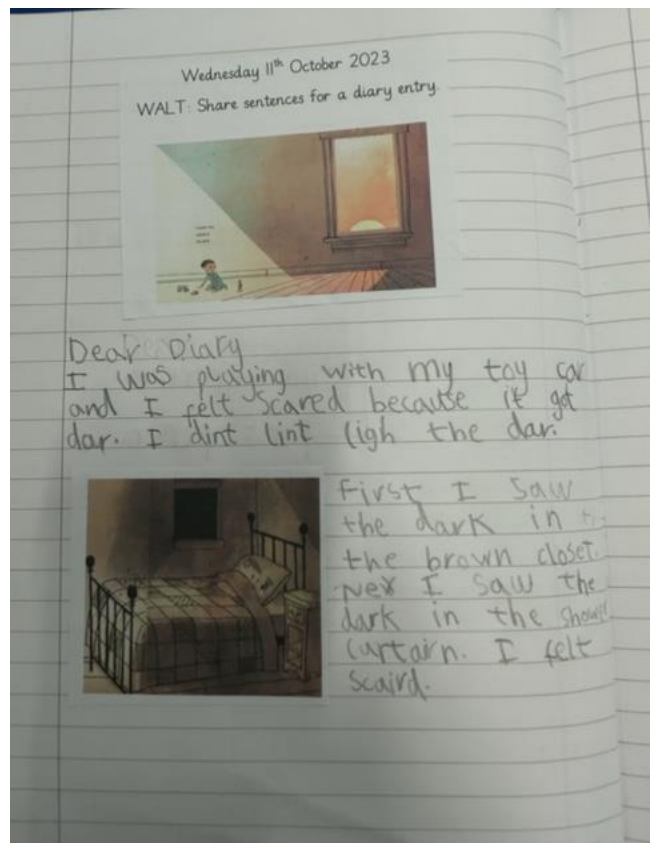

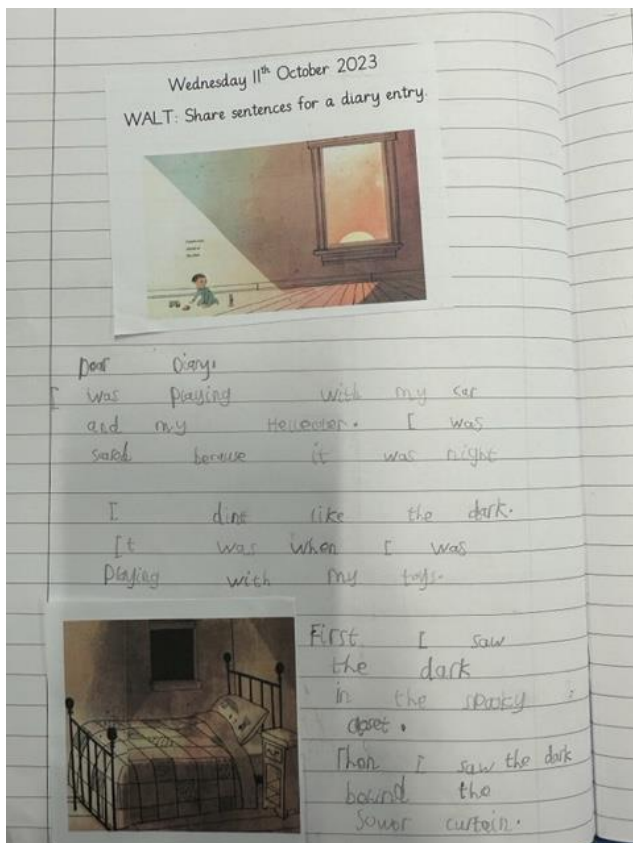

Year 6 pupils have demonstrated their resilience by building their fluency in dividing four-digit numbers by two digit-numbers through long division. Children have used the anchor chart poster to help them remember the steps involved.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

English at Havelock Year 1

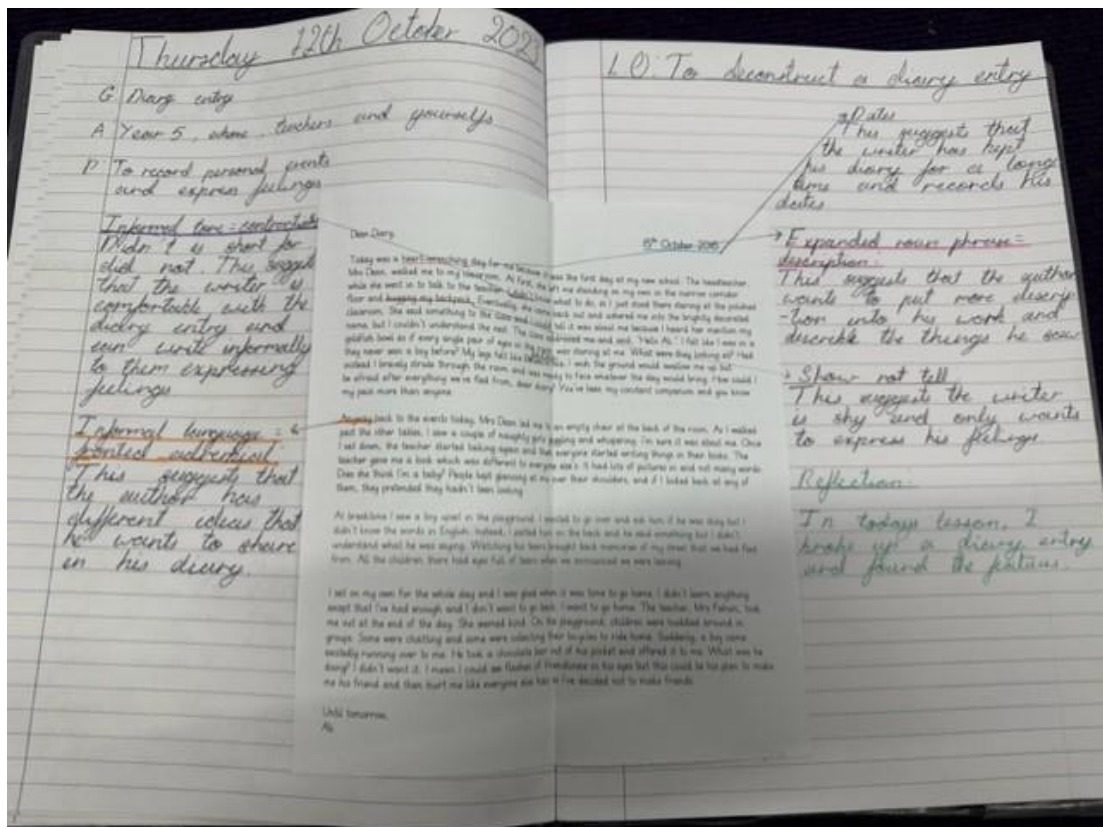

Year 1 started to complete their shared writing this week which is a diary entry about Lazlo, the main character, who found the dark. They are going to complete their independent writing next week. They are going to write in first person, past tense and use time conjunctions.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

English at Havelock Year 5

This week, Year 5 have been taking part in oracy discussions using the oracy talk frames and guidelines. They focused on the debate 'Should we allow refugees to enter the country?' They had a range of responses and many children were passionate about the topic. They also wrote poems about refugees in response to National Poetry Day and their theme being 'refuge'.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

PE Year 3

Year 3 have been working extremely hard with their ball skills during PE lessons. On Thursday's they have been developing their basketball skills and on Friday, Netball. We are now approaching the end of their units and the children have a very good understanding of the differences between the two sports.

Next week, the children will apply all their skills in a tournament during the basketball and netball lessons which will be exciting!

Class Assembly Year 4

This week, 4Pasquin delivered their class assembly on Math and Spanish.

Year 4 shared their learning about Place Value in Math. The children explained what helped them learn 4-digit numbers and how exchanges between work.

In Spanish, children role-played a dialogue buying vegetables at a shop. They used fantastic pronunciation, and they challenged the audience to understand new words in Spanish.
