

Havelock Primary School, Nursery & ARP Newsletter

Friday 14 February 2025

Dear Parents/Carers,

We have had an extremely busy couple of weeks with lots of fantastic activities and trips.

Year 3 visited Wembley Stadium, some year 6 pupils visited Featherstone High School, ARP pupils visited Heathrow, year 4 went to the Pitzhanger Manor and Gallery and year 6 also went to Kew Gardens.

The pupils, as well as the staff, have had a great time visiting different places and connecting their learning to new experiences!

On Friday 7th February we also celebrated Number Day where pupils created their own number hats and could be as creative as they wanted! We hope you got to see some of these hats or perhaps supported your child at home to create something related to number.

Congratulations to the Havelock basketball team for also getting the silver medal in their competition!

Please remember, we have the half term break from Monday 17th February to Friday 21st February.

I hope you have a wonderful week, and we will see you at 8.45am on Monday 24th February after the one-week holiday.

Kind regards,

Ms Abaeian

Wrap Around Expansion

From **Monday 24th February**, we will be expanding our Wrap Around Care provision to help our families further by running it up to 6pm Monday to Friday.

Wraparound care provides childcare before and after school, offering a safe and structured environment where children can engage in various activities. This service helps working parents manage their schedules by ensuring their children are well-cared for and entertained outside of regular school hours.

Havelock will continue to offer this service at a heavily discounted cost compared to other schools.

From Spring 2, we will offer the following:

- **Breakfast Club** - 8.00am - 8.45am - £3.00 - children take part in a range of activities as well as have breakfast provided for them ensuring they are ready for the school day.

- **Wrap Around** - children take part in various activities and have snack time included:

- 3.30pm - 4.30pm - £3.00
- 3.30pm - 5.30pm - £6.00
- 3.30pm - 6.00pm - £7.50

That means you can have reliable childcare from 8am - 6pm for only £10.50!

If you are interested in signing up for these services, please contact the school office on 020 8571 7204 or email

WrapAround@havelock.ealing.sch.uk.

Havelock is a Rights Respecting School

Article of the week:

Article 31 - Every child has the right to rest, relax, play and to take part in cultural and creative activities.

As we head into the half term, we hope you have a well-rested break and spend the time relaxing, playing and taking part in activities in and around Southall.

Reflection:

Talk to your child about ...

- How they can use their time away from screens.
- The importance of going outdoors.
- What activities you can do outdoors together.

Basketball Tournament

Year 5 and 6 pupils went on a basketball tournament. They were playing against 8 schools. Our pupils reached the finals but lost against John Perryn Primary School. A huge well done to our Basketball team, we are so proud of their achievement!

EYFS

Nursery have been listening to the 'Three Little Pigs' story. They have enjoyed joining in with repeated phrases and roleplaying as different characters. The children have been using different materials to build houses to support their roleplay.

ARP

ARP 2

ARP 2 have been learning to group items to show multiplication. They also have been reading about train journeys and described what they could see out the train window.

ARP 4

ARP 4 having begun reading a new text, Arthur and the Golden Rope. A magical compass had been left in the classroom and the pupils found clues that led them to a map of Iceland. They are excited to find out what all these clues mean for their lessons next term.

English at Havelock Year 2

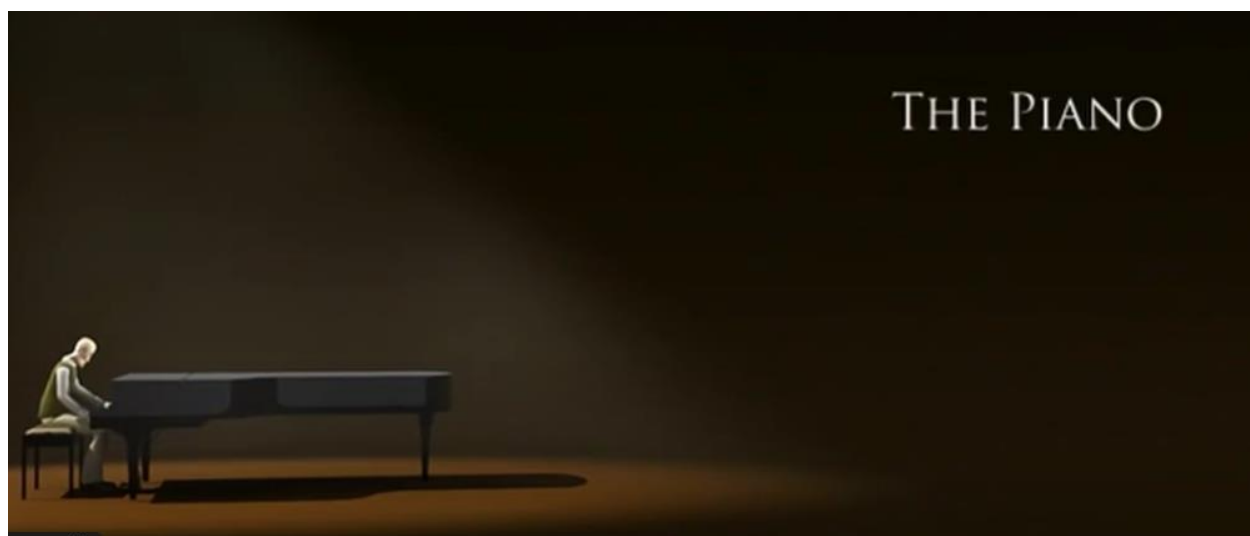

In Year 2 have been learning about descriptive writing in their English lessons. They have used the different settings from their English text, 'The Lonely Beast', to think about how they can describe them using features such as using their senses, expanded noun phrases and similes.

English at Havelock Year 6

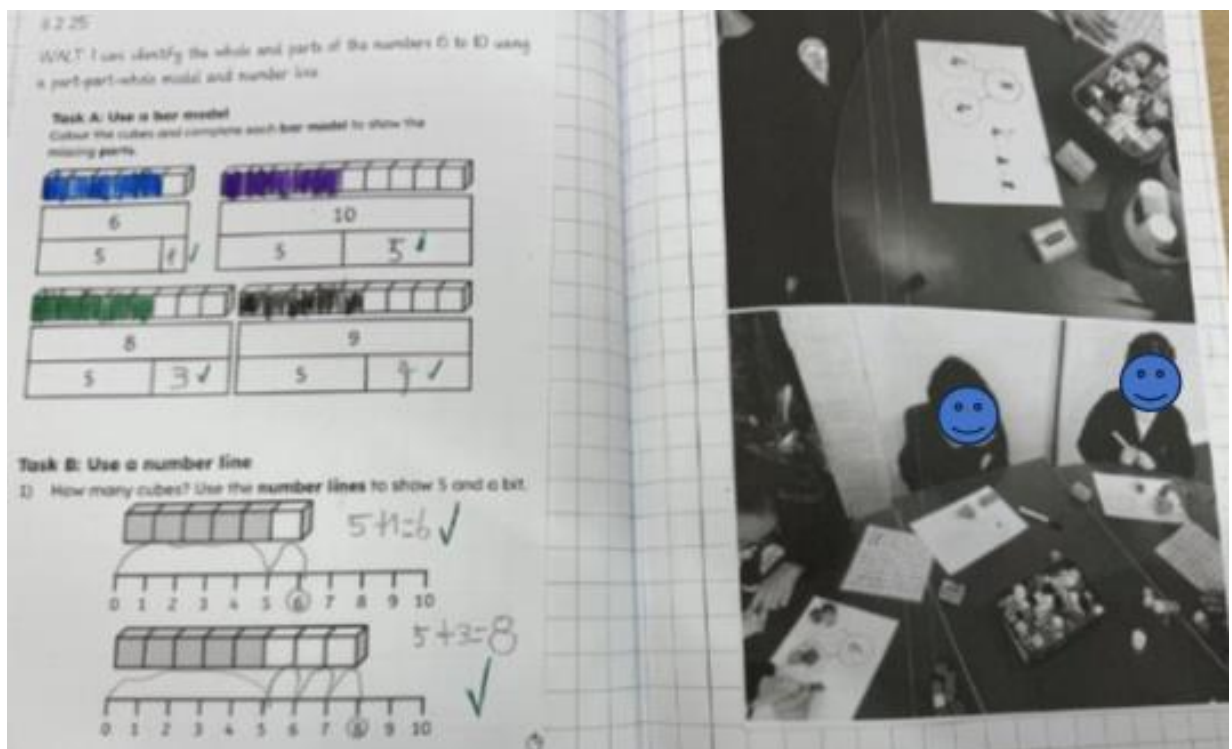

Year 6 students have been delving into the art of diary entries, inspired by the animation "The Piano." They have spent time exploring adverbials and prepositions to enhance cohesion in their writing, while also focusing on expressing emotions through the use of show not tell. In addition, the pupils have worked hard to write in various voices, including those of a child and an adult.

Maths at Havelock Year 1

Year 1 pupils have been identifying whole numbers and their parts from 6 to 10 using a part-part-whole model. This has consolidated their understanding of "5 and a bit." Take a look at some of the manipulatives they have used to demonstrate their understanding.

Maths at Havelock Year 5

This week, Year 5 have been fully immersed in the world of negative numbers, exploring them in various contexts such as temperatures, elevations and coordinates. In their latest lesson, they tackled all four quadrants, reading and plotting coordinates. During a reasoning challenge, they even engaged in a lively debate, questioning Ms Aumar's statement about how coordinates should be read.

Art at Havelock in Year 3

This term the Year 3 artists have been learning how to create their own piece of artwork as a response to that of an artist, in particular Vincent Van Gogh.

The children experimented how to change the tint and tone of a colour before using shades of white, blue and yellow to create their own art-work in Van Gogh's style.

Art at Havelock in Year 4

This term the artists in Year 4 have been looking at the work of J.M.W Turner and how he uses watercolours to create a wet wash effect within his work.

The children have explored the ways in which they can create their own practical response to his work and then created their own wet wash paintings in their sketchbooks.

Safer Internet Day

On Tuesday 11th February, Havelock Primary School celebrated Safer Internet Day. This year the theme for Safer Internet Day was : ‘Too good to be true? Protecting yourself and others from scams online.’

The digital ministers started the week off with an assembly explaining signs of a scam and in class, pupils watched a live lesson with BBC where pupils they acted as detectives, working to outsmart digital tricksters to protect their personal information.

ARP 1 and 2 Trip

This half term, ARP 1 and 2 went on a trip to Heathrow Airport, to view the planes landing and taking off. The students absolutely loved the trip, which involved getting trains, buses, escalators, lifts, moving walkways and a fair bit of walking. This was an incredible achievement, considering that some of the students had never been on many of these before. The trip was organised to further develop fundamental skills relating to orienteering, travel independence and confidence, as well as being accustomed to busy environments. All students were a credit to the school, and it has been so lovely to see the progress they have all made since our first trip together, travelling by public transport.
