

Havelock Primary School, Nursery & ARP Newsletter

Friday 28th April 2023

Dear parents/carers,

It has been a great start to the Summer term - even though we have had a few weeks shorter than normal. Just a reminder that **Monday 1st May** is a Bank Holiday and the school will be closed.

Coronation Day

On Friday 5th May, we will be celebrating the King's Coronation!

Strike Day

Tuesday 2nd May is a strike day where most staff will be striking. We will be partially that day and will be open for Nursery AM/PM/30 hours and Year 6 children.

School will be open for all children on **Wednesday 3rd May** at the usual time of 8.45am.

Important Dates

- May Day Bank Holiday - **Monday 1st May 2023** -School will be closed
- Strike Day - **Tuesday 2nd May 2023** - School will be open only for Nursery and Year 6
- King's Coronation Celebration Day - **Friday 5th May**
- King's Coronation Bank holiday - **Monday 8th May 2023** - School will be closed

Have a great weekend!

Kind regards,
Mr. Jon Bailey
Head of school

@HavelockPrimary

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

King's Coronation

On Friday 5th May 2023, we will be celebrating The Coronation of His Majesty The King and Her Majesty The Queen Consort.

It will be a non-uniform day and the theme is to 'Dress Like Royalty,' children are encouraged to come to school wearing smart, cultural or their best clothing.

The children will participate in fun filled activities to commemorate this once in a lifetime event and honour the Coronation of King Charles III.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Phonics Parent Meeting

An engaging phonics parent workshop took place on Wednesday this week to provide more information about the phonics screening check which takes place in June. Parents found the session very useful and they have more strategies to support their children at home!

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

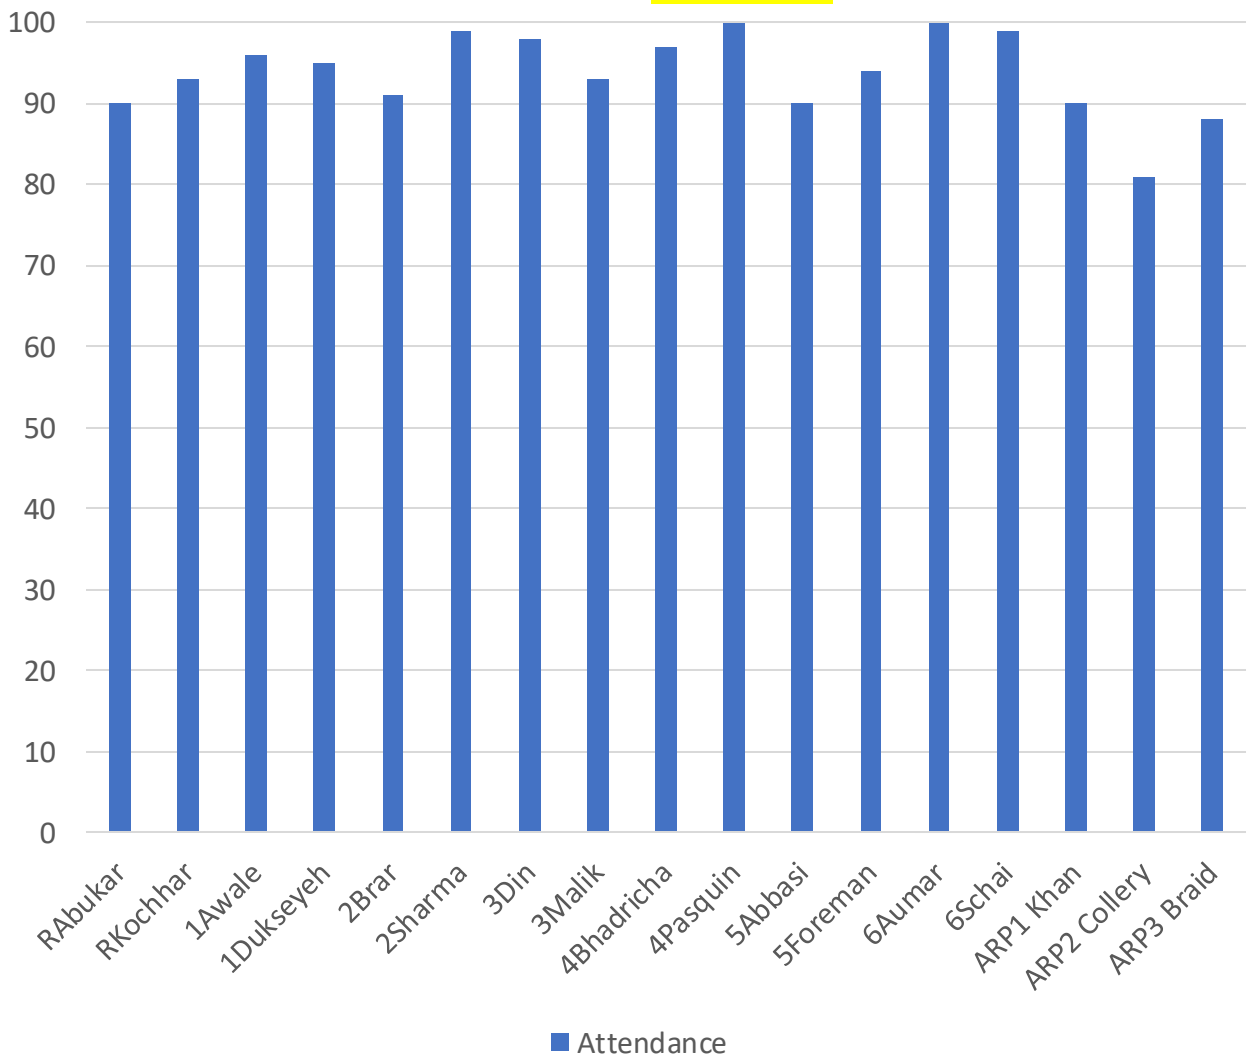

Attendance at Havelock

Remember, good attendance is over 96%! Below are the figures for this week for all classes.

Congratulations to:

4Pasquin and 6Aumar

for their attendance of **100%**! Well done!

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Havelock is a Rights Respecting School Article of the week: Care and adoption

There are many different reasons why children might not be looked after by their parents.

In these circumstances several articles of the Convention can help guide everyone to ensure that the child or young person's **best interests** remain central to the decisions taken.

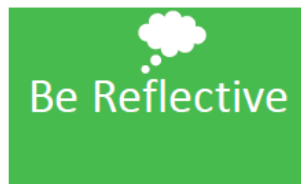

There are many **different types of families**. We care about all the families in our Havelock community **equally**.

Reflection:

- Who shows you that they care about you?
- What **feelings** do you have when you know you are cared for?
 - How do you **show** care to other people in your life?
 - Why does care matter?
- Can you show your **appreciation** to those who care for you?

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Havelock Primary's 5Rs - Year 4

In year 4, the children have been given feedback on their performance on times tables checks so that all of them can achieve above 20/25 correct answers.

They have been using one of the 5Rs:
Building Relationships.

Pupils who are experts at times tables have paired up with other ones who are trying to score higher. Thanks to those children who have helped, many more pupils feel more confident and grateful for their support.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

EYFS Stay & Learn Sessions

Thank you to all the parents who have been attending the stay and learn sessions.

This week we looked how to support children at home with Maths. The children discussed how to create ABAB, AAB and ABB patterns. They drew shapes to create these different patterns and identified which ones they made. Parents can continue pattern making with children at home with:

- fruit and vegetables (tomato, carrot, carrot)
- natural resources (stone, stone, stick)
- toys (car, teddy, teddy)
- body movements (clap, clap, jump)
- musical instruments (drum, shaker, shaker)

Listen to the story 'pattern fish' by Trudy Harris and identify the patterns. Watch and copy the dance movements to 'we will we will rock you'

<https://youtu.be/xc3EkxJHQkY>

Watch and copy the dance movements to 'we will we will rock you'

RKochhar class sessions will be **EVERY** Thursday 2:55-3:15pm.

R Abukar class sessions will be **EVERY** Friday 2:55-3:15pm.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Phonics Screening check & Parent workshop

The phonics screening check will take place in June for Year 1 and some Year 2 children.

Thank you to all the parents who attended the parent workshop. If you were unable to attend please speak to your class teacher for more information.

Please continue watching the videos with your child on Class Dojo every day and practice the example booklets sent home weekly.

[Preparing for the phonics screening check - Oxford Owl for Home](#)

Maths at Havelock Year 3

This week, year three have focused their learning on solving problems up to two steps. They had to break down the problem into simple steps to identify the operations that were needed to be done in order to successfully solve it. The pupils had to be reflective on their answer to ensure that it answered the question accurately. Have a look below at the learning that is happening in year three.

2 6.0 4.2 3

L.O: To solve one step subtraction word problems.

E. or day

1. 1 1 7

2. -10 +10

104 1 1 4 124

3. $387 - 90 = 297$

4. 5 hundreds

5. 3 6 6

1. $137 - 96 = 41$ There are 41 incomplete books. ✓

2. $1812 - 96 = 1812$ $186X + 96 = 282$

- Motion is incorrect

E - Miss Moller will need 5 more Tugs to

2 5.0 4.2 3

L.O: To solve two step addition word problems.

5 a day

1. 1 2 7 ✓

2. $25 + 25 + 25 = 75$ ✓

3. $431 + 18 = 449$ ✓

4. $531 = 289 + 242$

5. $309 + 271 + 45 = 625$ ✓

1. $1219 + 187 = 1406$ There are 459 students altogether. ✓

2. $157 + 46 = 203$ There are 167 Beavers in total. ✓

3. $138 + 197 = 335$ Her total score 507. ✓

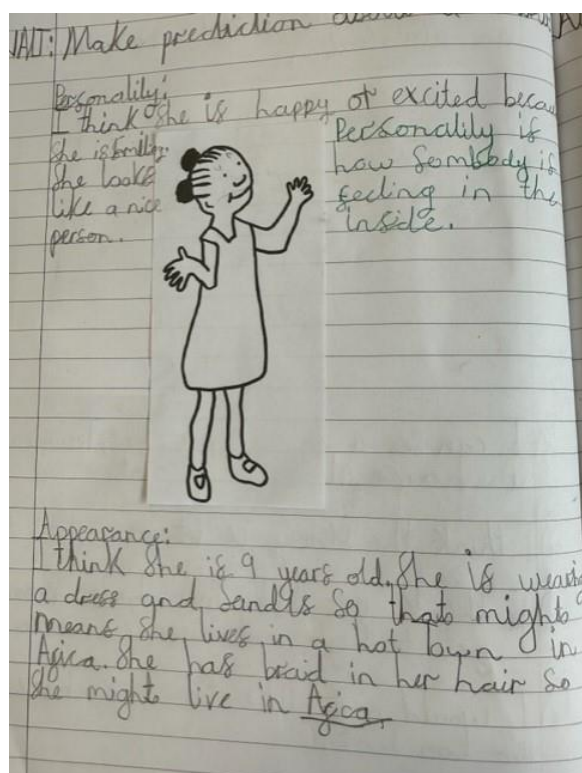

1. $125 + 59 = 184$ ✓

2. $184 + 25 = 209$ X 221 ✓

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

English at Havelock Year 2

Year 2 have started their new book in English called Anna Hibiscus. This week they made predictions and inferences based on a photo of the setting and main character. They also learnt about conjunctions and new vocabulary. Next week they will be writing a recount.

Word	Picture	Definition
Lagoon		A small freshwater lake near a larger lake or river.
Howling		Making a long cry or wailing sound.
Tobogganed		Slide downhill over snow.
Handful		A quantity that fills the hand.
Shrieked		High pitch sound - can be caused by pain or excitement.
Leapt		Jump a long way or height with great force.
Incredible		Extraordinary.
Breeze		Gentle wind.
Ecstatic		Feeling a lot of happiness/excitement.
Lively		Full of life or energy.

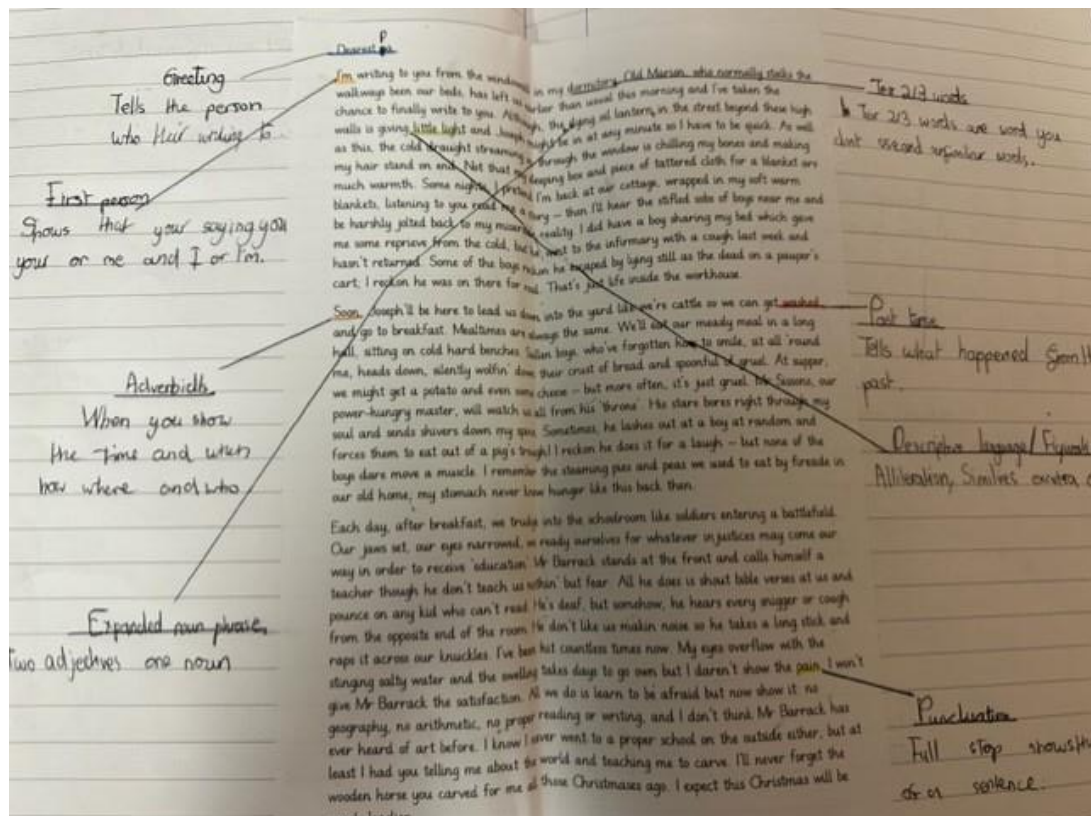

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Havelock Primary School, Nursery & ARP Newsletter

English at Havelock Year 5

In English, we have been reading *Street Child* and learning about the life of a Victorian child living in a workhouse. Children investigated the life of a Victorian child in a workhouse and created a schedule. They also took part in a mock trial where they put Mr Sissons, the governor of the workhouse, on trial for the cruel punishment of children.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

EYFS at Havelock - Reception

The children have had lots of fun making music. They have been using musical instruments to create their own AB, AAB, ABB patterns in Maths.

The children have also used recyclable materials to design their own musical instruments.

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Havelock ARP ARP 1

This week, ARP 1 have continued to learn about under the sea. In art, we created some lovely fish paintings by printing using cotton buds. In maths, we have been learning about fractions (halving). The children cut fruits in half to make a yummy fruit salad. Using props, in English, the children worked in groups to retell the story Sully the Seahorse.

ARP 2-

This week, ARP 2 have continued to work on poetry, this week focusing on the 5 senses. As a class, we created a poem about our classroom. We then moved on to create a poem all about spring. In maths, we have been developing our directional vocabulary, by guiding one another around the classroom to find a hidden toy. We were also proud to receive our certificates for Mozartists, a workshop that we completed in Spring term.

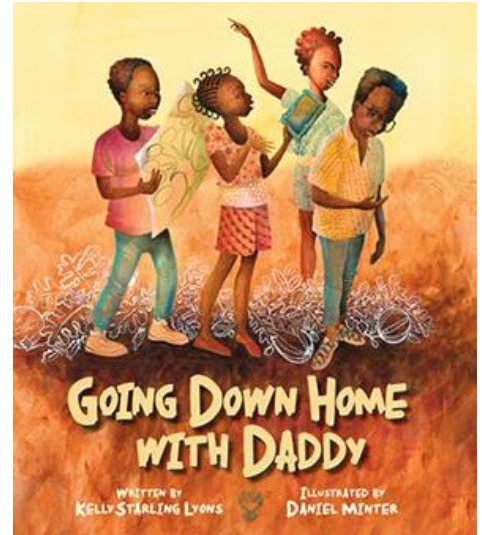

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Class Assembly Year 1

This week it was Year 1 Dukseyeh's class assembly. Check out the amazing learning our Year 1 students have been doing!

English:

Year 1 pupils have been exploring a range of emotions through writing a diary entry from Alan's perspective in English class, inspired by the book "Going Down Home with Daddy" which celebrates family and African culture.

PSHE:

In history, the children have been learning about how travel and transportation have changed over time.

They were able to connect their understanding to one of history's threshold concept: chronology.

We're so proud of all their hard work and progress!

We are a growth mindset school. Our job is to challenge our pupils and let them thrive.

Sunday, 23 April 2023

Dear Parent/Carer

Are you looking for fun new ways to keep your family fit and healthy?

The Healthy Families team are pleased to inform you that our face to face (in person) ... ALFIE afterschool programme is back!

Programmes are for children aged 5 - 13 years who are above a healthy weight for their age (overweight) and their siblings (a parent / carer must also be present). Programmes will take place at venues across the borough and include a variety of interactive sessions on nutrition and healthy eating topics such as food label reading, food groups and portions sizes. Families also get to take part in non competitive multi-skill sports and games, in fun and safe structured environment; which is a great way to increase levels of physical activity, boost self confidence and improve social, mental and physical wellbeing. The programmes include a 1:1 appointment for each family, where families get to meet the team, learn more about what to expect on the programme and start to set their own individualised SMART Goals; this will be followed by weekly group sessions with other families.

Our next programmes take place winter 2023; please turn over to see our timetable.

All programmes are delivered by qualified nutrition and physical activity professionals. Programmes are FREE but places are very limited and an adult (parent/carers) must be present at all sessions.

For more information please call Jordan on 07909 000796; or email the team at clcht.ealinghealth4life@nhs.net. You can also follow or send us a message on Facebook or Instagram, search ALFIE_Ealing.

We look forward to hearing from you

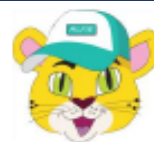

Yours sincerely
The Healthy Families Team

Places on these programmes are very limited.

To book a place please call or text 07909 000796

Email clcht.ealinghealth4life@nhs.net

You can also find us on Facebook or Instagram (search ALFIE_Ealing)

We have an ALFIE minis programme (for 2-4year olds) and an ALFIE Teen programme (for 14 years +) call or email for more information

Here are some comments from families who attended over the summer

"It was fantastic, it has given him the confidence to take part in more activities such as basketball so thank you, we really appreciate your help."

"Very helpful for me to understand sugar content, I use the food label reading card that you gave us to help me make healthier swaps when I go shopping."

"It was a great programme and we learnt lots of information. My daughter is drinking water rather than squash without making a fuss which is brilliant. She is also getting involved in the preparation of food/meals which she is really enjoying e.g. making a fruit salad herself."
