Friday 11<sup>th</sup> November 2022

Dear Parents and Carers,

## Local MP visit

Southall's Member of Parliament, Virendra Sharma will be visiting the school to speak to children about Parliament Week. Our newly elected Havelock MPs will also be meeting him to speak about life as an MP and what it takes to represent a local constituency. **What questions would you like them to ask him?**

## Odd Socks Day

On **Monday 14<sup>th</sup> November**, we are asking all children and staff to come to school in odd socks! This is to celebrate being different for Anti-Bullying week. We also ask children to **donate £1** towards an Anti-Bullying charity.

## Readathon

Readathon is still continuing this week until the end of November. Please urge your children to keep on reading and help them record the books read as well as who has donated to their readathon. Keep on reading!

## Important Dates

**14th November – Odd Socks Day**

**1<sup>st</sup> November - Readathon starts**

**25<sup>th</sup> November - Readathon ends**

Have a great weekend.

Kind regards,  
Ms. Naz Abaeian and Mr. Jon Bailey  
**Heads of school**

## Armistice Day and Remembrance Sunday

Children across the school took part in a two minute silence today to mark Armistice Day and commemorate and remember those who passed in wars.

We will also be sending our Havelock MPs to lay a wreath on Remembrance Sunday this weekend. Thank you again to all those who donated to the British Legion Poppy Appeal.

***We are a growth mindset school. Our job is to challenge our pupils  
and let them thrive.***

## Odd Sock Day

Staff and pupils at Havelock will be wearing odd socks on **Monday 14<sup>th</sup> November** to celebrate diversity and everyone being odd!

Please encourage your child to wear odd socks and donate £1 which will go towards helping the good work at Anti-Bullying Alliance.

## Attendance at Havelock

Remember, good attendance is over 96%! Below are the figures for this week for all classes.

Congratulations to:

**Ms Pasquin's Year 4 class for**

for their attendance of **100%**! Well done!

## Havelock Primary's 5Rs

Be  
Resourceful

Build  
Relationships

Be Resilient

Be Reflective

Be  
Responsible

This week, our 5R focus has been on Being Reflective.

**We teach children to be reflective by teaching them to think about how they learn, what they have learnt and how to improve their work.**

**What is the best way you can learn something? What help do you need from the teacher?**

**What do you need to improve most about your work? Is it your presentation? Is it using more detail in your answers?**

**Can you work with your peers to reflect on each others work and support each other to improve?**

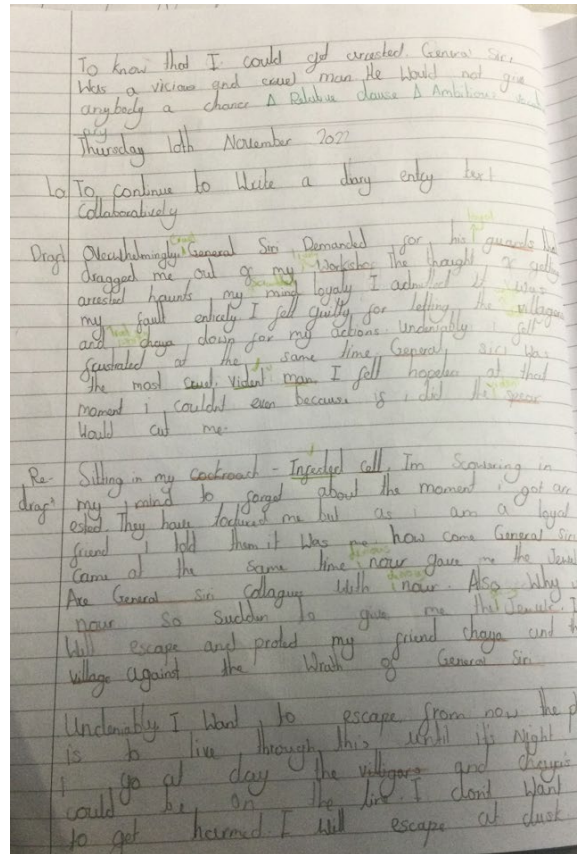

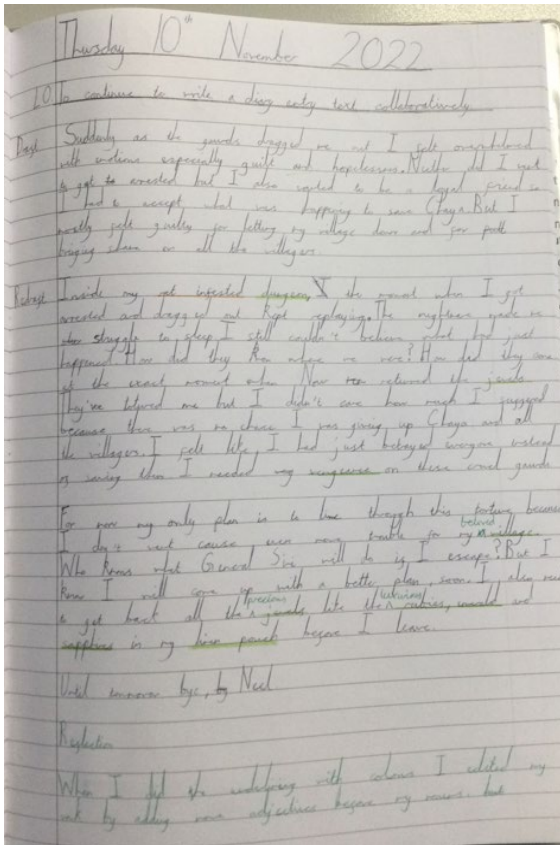

***We are a growth mindset school. Our job is to challenge our pupils and let them thrive.***

## Being Reflective – Year 5

It is important for us at Havelock to make sure all pupils are taught how to think carefully, critically and analytically to improve their work and understanding. This week year 5 have worked extremely hard to be reflective in class by asking questions about their writing to address specific needs and develop their higher-order thinking skills by relating new knowledge to their prior understanding.

**We are a growth mindset school. Our job is to challenge our pupils and let them thrive.**

## Phonics Page

As a school, we teach how to read and becoming a fluent reader by teaching the Read, Write, Inc programme. We want to share with parents more about how we teach phonics and reading at Havelock as it is important for parents to continue the approach at home and to ensure children read every day after school. ## Sports Competitions

A huge well done to our Year 6 Tag Rugby team! They played in a competition on Thursday coming 3<sup>rd</sup> in the Group stages and only conceding 1 try in 4 games! A fantastic record! Well done all!

## Idiom of the Week - Aisha

An idiom is an expression with a different meaning than its literal one, e.g. if something is hard to find you may say it's like trying to find a needle in a haystack.  
Every week, watch this page for the idiom of the week.

**Under the weather**

**MEANING:**  
To be sick

---

**EXAMPLE:**  
Miguel won't be at the scout meeting today because he's feeling a little under the weather.

## Havelock Author of the Week

**LOUIE STOWELL**

*Louie Stowell says:*

Louie Stowell writes books about magic, gods and monsters - there's always an adventure for you to go on!

Her latest series - Loki - is a diary-entry style story where Loki, a god, is banished to Earth for pulling one trick too many, and must now attend school. The informal writing style will have you laughing out loud and wishing for book two. Which, lucky for you, there is!

If you like Laura Ellen Anderson or Jenny Pearson, you'll love these books!

*I love reading because climbing inside a book feels like exploring a new world, whether it's a fantasy story or a non-fiction book. In non-fiction, I get to see my own world in new ways and how brilliant and strange it is. In a made up story, I get to see what could be possible in other worlds, or in lives I haven't lived. It's basically virtual reality with no limits!*

'Loki' was the Waterstones Children's Book of the Month in February 2022.

## Readathon

Readathon is back again this year. Children will be asking sponsors for donations to provide a regular supply of brand new books and a resident storyteller to every major children's hospital in the UK.

Readathon starts on Tuesday 1<sup>st</sup> November  
and ends on Friday 25<sup>th</sup> November

Your child has been sent home with a sponsorship card and all you they have to do is:

By this week, they will have decided which books they are reading and listed them inside their card.

1. Decide which books you will complete for your Readathon
2. Read 30 minutes daily.
3. Record what you have read on your sponsor card.
4. Ask your friends and family to sponsor you and write their names on your card.
5. Return your donations to your class teacher by Friday 25th November 2022.

**Remember, 20% of all the money we raise will be given in free books to our school!**

So, let's get reading!

## Book Fair

The Scholastic Book Fair is visiting our school next week! It will be in the KS1 Hall after school from Monday to Friday.

**AGES 2+**

**AGES 6+**

**AGES 8+**

**Payment at our Book Fair**

- Please check with your school for the best way to pay for your books
- You can pay easily and securely for these books and many more when you attend the fair by using our online payment link at [www.bookfairs.scholastic.co.uk/pay](http://www.bookfairs.scholastic.co.uk/pay) and simply selecting your school from the drop down menu.
- If you're unable to visit the Book Fair, your child will be sent home with a Wish List and you can pay for their chosen books using our online payment system. Please make sure the Wish List is returned to your child's school.
- Pre-paid gift vouchers are available in £5, £10, £15, £20 and £25. Go to [www.bookfairs.scholastic.co.uk/gift-vouchers](http://www.bookfairs.scholastic.co.uk/gift-vouchers) to buy vouchers for your child before the fair.

**Help earn free books for your school!**

Books benefit everyone and to ensure that as many children as possible have access to the best books, Scholastic donate over £2.2 million worth of free books annually to schools nationwide to support literacy and reading for pleasure. You can help make a difference by purchasing from your Scholastic Fair – every purchase earns your school rewards which they can spend on free books to stock their library and classrooms.

## Havelock ARP

In ARP 1, we have been learning about 2D shapes and counting how many sides each shape has. We have also been learning about the gingerbread man story and role played what happened. Furthermore, children have been discussing different special times (celebrations) including birthdays. We had our own exciting birthday party in class!

***We are a growth mindset school. Our job is to challenge our pupils  
and let them thrive.***

## Havelock ARP

This week ARP2 have continued to learn their traditional tale: The Three Little Pigs. They used their D&T skills to create three houses based on the story; one made of straws, one made of sticks and the other made of bricks! We learnt the MRS GREN acronym to help us remember what all living things do, and we started learning about shapes in maths.

ARP 3Braid have been learning about symmetry in maths. They have created shapes with identical halves, cut shapes in half in different directions and drawn lines of symmetry on a range of shapes. They also explored different materials you would find on a farm and described their texture.

## English at Havelock – Year 3

Year 3 have been studying their text, Rani visits the Taj Mahal. Their final writing outcome will be a descriptive text. This week, they made predictions based on the front cover.

## English at Havelock – Year 4

This week, year 4 have been working in their independent write based on a setting description. They have worked very hard and tried to use a range of features in their writing to make it more interesting for the reader. They have included, personification, similes, metaphors and expanded noun phrases. Have a look at some of their work below.

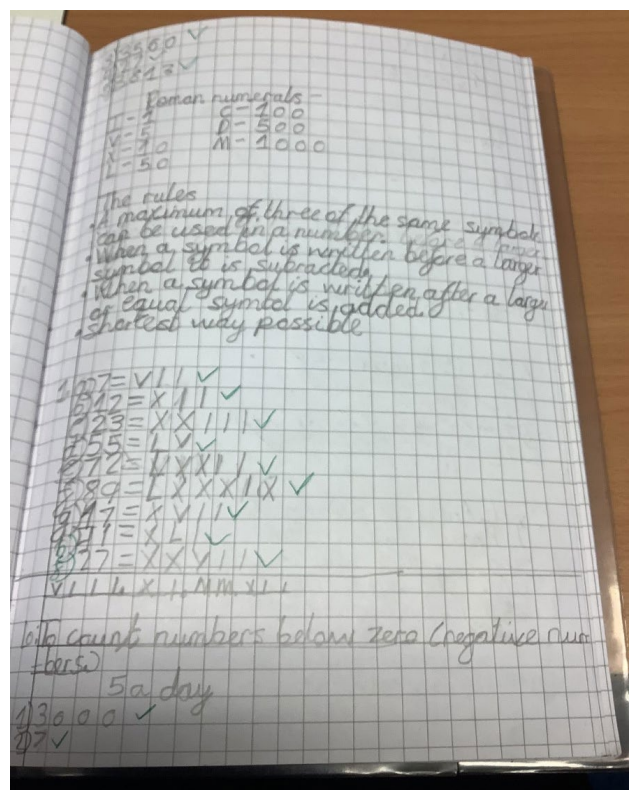

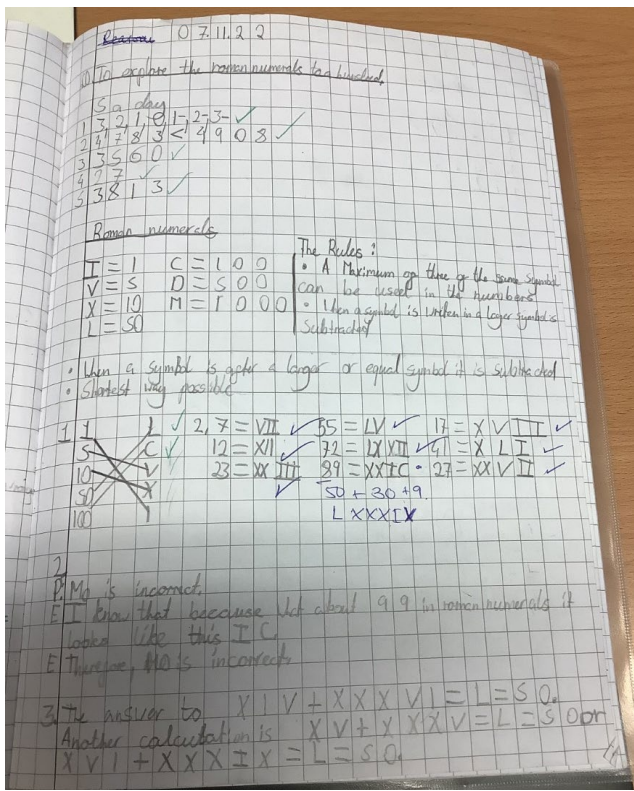

**We are a growth mindset school. Our job is to challenge our pupils and let them thrive.**

## Maths at Havelock –Year 4

In maths, year 4 have been working on Roman numerals! They were amazed to find out that the Roman numerals only consist of 7 letters: I, V, X, L, C, D and M. They made some links with history and had to learn some rules so they could correctly identify the numbers. Have a look at some of their amazing work below.

## Maths at Havelock – Y6

In Maths, Year 6 have been working on converting mixed to improper fractions and vice versa. They have also had to be resilient in their learning of finding fractions on a number line as this required them to link their new learning to previous knowledge and skills they had developed when solving problems with number lines. Have a look at their fantastic work below.

A  $3/9 = 1/3$  ✓  
 Factors of 3 = 1, 3  $3 \div 3 = 1$  Shows us that out of nine 3 parts have been shaded in a out of 3 and has been shade. This is equivalent but are

B  $8/14 = 4/7$  ✓  
 Factors of 8 = 1, 2, 4, 8  $8 \div 2 = 4$  because both 8 and 14 are divided by 2 = 4 fractions are equivalent but are

C  $16/20 = 4/5$  ✓  
 Factors of 16 = 1, 2, 4, 8, 16  $16 \div 4 = 4$  Simplified in a simple form.

D  $18/32 = 9/16$  ✓  
 Factors of 18 = 1, 2, 3, 6, 9, 18  $18 \div 2 = 9$   
 Factors of 32 = 1, 2, 4, 8, 16, 32  $32 \div 2 = 16$  ✓

1 For bar model 2A it shows us that out of 20 only 16 have been shaded and out of 5 only 4 parts have been shaded. Both fractions are equivalent but aren't the same.

2 All fractions would not need to be simplified since the second fraction  $5/9$  doesn't have a common use factor, which means there's no number that can be divided into both numerator and denominator.

a  $5/9 + 1/9 = 6/9 = 2/3$  ✓  
 Factors of 6 = 1, 2, 3, 6  $6 \div 3 = 2$  or Only two must really need to be simple - fixed because the other one has the number 1 as it's (HCF) Highest common factor which is 1.  
 Factors of 9 = 1, 3, 9  $9 \div 3 = 3$  Both the new and

b  $5/9 + 3/9 = 8/9 = 8/9$  ✓  
 Factors of 8 = 1, 2, 4, 8  
 Factors of 9 = 1, 3, 9

c  $5/9 + 7/9 = 12/9 = 4/3$  ✓  
 Factors of 12 = 1, 2, 3, 4, 6, 12  $12 \div 3 = 4$  It ends up a 2/3 numerator  
 Factors of 9 = 1, 3, 9  $9 \div 3 = 3$  Both the new and

Saturday

a  $2 \frac{1}{2} + \frac{5}{6} = \frac{19}{6} = 3 \frac{1}{6}$  ✓  
 b  $\frac{3}{4} - \frac{1}{8} = \frac{6}{8} - \frac{1}{8} = \frac{5}{8}$  ✓  
 c  $\frac{1}{2} \times \frac{5}{7} = \frac{5}{14}$  ✓  
 d  $\frac{1}{4} + \frac{1}{5} + \frac{1}{10} = \frac{11}{20}$  ✓  
 e 4 0 m

10. To identify fractions on a number line

1

2

3

4 Henry has plotted  $3/8$  and not  $3/4$ . This is incorrect.

## EYFS at Havelock

The children have been learning about the importance of Remembrance day and thinking about how families would be feeling. They have been learning vocabulary such as 'soldiers', 'lonely', 'proud', 'upset', 'celebrate'.

Nursery children have been designing and creating their own poppies.

Reception took part in the 2 minute silence to reflect what they had learnt. They heard the church bells.

***We are a growth mindset school. Our job is to challenge our pupils  
and let them thrive.***

## EYFS at Havelock – Reception

Reception have been enjoying their daily storytelling sessions in the school library and in the class. This week they enjoyed listening to 'Funnybones' by Janet & Allan Ahlberg. They can identify the characters and describe the setting.

The children have been designing their own front covers by independently selecting their own resources. They have been practising their cutting skills and talking about the length of straw needed to create their characters.

The children can retell the story using repeated phrases and by sequencing the pictures in the correct order.

## Class Assemblies - Gurjit

This week it was 4Pasquin's assembly.

### Maths:

Year 4 have been learning how to add using concrete resources. They were adding a four-digit number to another four-digit number.

Adding and Subtracting with column method

### Science:

Year 4 have been learning about how sounds are made.

To understand how sounds are made  
 Sound happens when a vibration is made by an object.  
 Vibrations quickly moves back and forth.  
 eg:

If I pull the rubber the rubber will vibrate.  
 I can stop the noise by touching the rubber.  
 Reflection  
 In this lesson we observed vibration about the rubber band. We tested if we can hear the vibrations of the chime.
